Fain Viejo Country House

FAIN VIEJO COUNTRY HOUSE

Available for stays (10 bedrooms), visits and events

This impeccable property has recently undergone a major refurbishment, which has turned Fain Viejo into a splendid and refined villa, keeping all the flavor of its history, but combining it with modern amenities.

From its remote Arab origins, Fain Viejo has always been an important property in the region. Arcos de la Frontera, as its name indicates, was for many years a border frontier and a place of constant battles between Moors and Christians. This explains the existence of numerous legends of hidden treasures in the region. Most famous is the legend of Fain Viejo. Apparently, “the treasure of Fain consists of solid and innumerable gold bars”. The treasure has never been found!
