**VIRGEN DE LA  
VICTORIA,  
COUNTRY HOUSE**

*Available for stays and  
events (10 rooms, max  
21 guests)*

This wonderful  
Country House is  
located in the heart of  
Castile, in the natural

park of the Tagus fields, where there are both dry and irrigated lands producing great agricultural contrasts. The former with cereal crops, vineyards and olive groves and the latter with horticulture, orchards and tree line avenues.

The house is sober and elegant with a Portuguese style. It has 10 suites, all with direct access to the gardens, very spacious and full of natural light.

The tranquility of the place is an invitation to enjoy outdoor living: play in the tennis court, go horse back riding through a natural park of more than 400 acres. Also, the pure Lusitano horses are tamed and looked after by a professional team working in the property.
