## Introducing UltraVilla

Dear Friends,

We are proud to announce that we have been invited to join the fabulous new website for the top villa rental companies in the world; UltraVilla launched in June, and showcases the very best specialist villa agents like us but in different areas of the world, plus some stand-out sole properties and lodges as well. Only the very best have been invited to join, the top 5% in the profession, so this is a huge honour that recognises our company's quality and integrity, and we are proud to show the logo.

Do check it out, as these are the people we would refer you to if you asked us who to go to for other destinations than the ones we cover. Use it as a directory of the top pros in the business, the little black book you have to have!

Proud member of UltraVilla - **"The Relais and Chateaux of the Villa world"**  
(Town & Country)

**"The world's leading luxury rental experts under one roof."**
