Our **Slow Food tour** proposal captures *an indulgent combination of picturesque walks, boutique hotels and amazing local food, all wrapped up in a soulful journey along one of the most scenic regions in Northern Spain.*

This wonderful blend of scenery, slow food and fresh air will renew your senses and feed your passion for Spain.

A lifetime opportunity to taste the delicacies of the vegetable garden of Navarra, to learn to prepare our famous and creative “tapas and pinchos”, to collect mushrooms in Soria, to eat roasted pig and Spanish migas in the middle of the desert or to have a stylish lunch at **Art Nouveau Country House**, a private estate in Sigüenza.

A perfect plan for groups of friends or families that love traditional gastronomy with locally grown products.

At Greatness we invite you to enjoy privileged access and unique perspectives on the Spanish treasures.
