

Experience Spain's most traditional events: Holy Week and April Fair

Seville

Dear Friends,

Spain is a country completely transformed during Holy week or “*Semana Santa*”. Holy week is one the most spectacular fiestas in the country and is celebrated with a great deal of emotion.

Art, culture and religion are blended together to commemorate the death of Jesus Christ. Day and night the streets are filled with the beat of the drums, masses of colourful flowers and the consummate art of religious sculpture. All are combined to produce a highly moving atmosphere.

From the splendid balcony of [El Atico Dos Fuentes](#) you will have the most

privileged view of the processions passing through the official section while surrounded by the scent of orange blossom. It is indeed a unique place to fully experience and appreciate the events of Holy Week reserved for the most special guests.

The Marchioness of Tenorio Palace, located in the historic neighborhood of Santa Cruz, is an unbeatable location to stay at while enjoying the festivities of Holy Week. Book in advance.

Both properties are also ideal locations to enjoy the world known "*Feria de Abril*" a week in April when life in Seville revolves around music, food and dancing. A week where happiness and joy create a very special atmosphere in the Andalusian city.

At Greatness we invite you to enjoy privileged access and unique perspectives on the Spanish treasures.

Warm regards,
