Dear Friends,

With spring finally settling in, summer is just around the corner. With perfect temperature, summer is the ideal season to experience the good life first-hand in Spain. Vacations filled with food, wine and the irresistible Spanish culture and charm.

With idyllic beaches and infinite hidden gems, the Balearic island of **Ibiza** offers much more than hedonistic crazy nights. Our romantic property, [The Ibiza Country House](#), is an ideal spot to explore undeveloped coves together with unspoiled inland villages and the wild and beautiful countryside.

The picturesque town of Manilva, in the most exclusive **Costa del Sol**, is our

hidden treasure to fall for the authentic charm of the white wash villages surrounded by vineyards and olive trees. Here we find our latest addition, the charming **Molino del Duque Country House**, just the right spot to relax and enjoy the long summer nights with your loved ones. With some of the best golf courses in Europe and the world, the area is resplendent with lush green countryside offering an idyllic retreat to local culture, wildlife and golfers alike.

At Greatness we invite you to enjoy privileged access and unique perspectives on the Spanish treasures.
