

*"Cortijo de la Sierra" Country House*

## Taste the Authentic Spanish Countryside

Dear Friends,

Unspoiled nature, enchanting neighboring towns, quiet panoramic roads, excellent food and wine: these are just a few attractions the Spanish Countryside offers discerning visitors in addition to its rich culture, art, traditions, and history. To visit Castilla's countryside is a total experience of body and soul unlike any other.

Tucked away in the heart of the Castilian Meseta you can find properties such as the stunning *Palace of Marchioness of Teba* near Toledo or *Art Nouveau Country House* in Sigüenza. Both properties are surrounded by breathtaking views: a

superb panorama of hillsides carpeted with holm oaks rolling gently across the horizon as far as the eye can reach. It is authentic rural Spain, a gem truly unknown to most visitors to Spain.

At Greatness we invite you to enjoy privileged access and unique perspectives on the Spanish treasures

Warm regards,

Isabel Benjumea,
